**Enjoy a "Sunday Morning in The Country"**

**(Rain or Shine)**

**Here's How It Works:**

You and your partner(s) ride a flagged cross-country course on the most beautiful land this side of the Ocala National Forest. You may watch eagles and hawks soar, deer seek cover, wild boar rustling thru the underbrush and maybe even find yourself on the trail of the ever-elusive fox.

This is **not** a race. The teams arriving closest to a secretly kept time (ideal hunt pace) are the winners.

Classes: I - Cross Country Course (Flat-no-jumps), English riders, all ages  
II - Cross-Country Course (Flat-no-jumps), Western riders, all ages  
III - Cavalry Pace (Endurance Training) 2 Circuits of an 8 mile course, last rider out by 9AM, all ages  
IV - Hunter Course (Approximately 20 Jumps), Juniors only  
V - Hunter Course (Approximately 20 Jumps), Open to all ages  
VI - Carriages - one carriage makes a team, Open to all ages
